Delhi International Airport

In 2011, Indira Gandhi International Airport (IGIA) was ranked as second-best airport in the world in the 25-40 million passengers category by Airport Council International. The airport uses an advance system called Airport Collaborative Decision Making (A-CDM), which works on target timings rather than the estimates, to curb delays in landing and take-offs and make them precise and predictable.

Day 12: Delhi Departure

The program ends after breakfast with a transfer to the airport.
